## Photographer's Statement of Agreement

I,

---

(print name), the undersigned, as a photographer for Heart Gallery ALABAMA hereby agree to the following statements:

1. I understand that I am providing a charitable service to Heart Gallery Alabama for the purpose of photographing children who are in need of adoptive families. I understand I will not be financially compensated for this service.
2. I understand that I agree to be in compliance with all Alabama State regulations concerning these children.
3. I, under penalty of perjury, certify that I am not a convicted felon, nor under suspicion of committing a felony, in the State of Alabama or in any other state or principality. I also certify, under penalty of perjury, that I have not been convicted of any crime regarding criminal conduct towards children or any type of abuse to a child including sexual misconduct in the State of Alabama or in any other state or principality.
4. I, under penalty of perjury, certify that I have not been found true or indicated of any abuse to a child under the age of 18 by the Department of Human Resources or like agency in the State of Alabama or in any other state or principality.
5. I understand that I cannot use the photographs or any representation of these photographs for any other purpose, to include advertising, portfolios, web sites or displays.
6. I understand that I must keep confidential any information that I might learn of these children, including such information as current residence, date of birth, last name, school, or any other identifying information.
7. I understand that Heart Gallery Alabama and/or any representative or contractor of Alabama Department of Human Resources may use the photographs I have taken, without further permission from me, for any use deemed appropriate by the aforementioned entities. I understand that, where possible and feasible, I will be given credit for the photographs I have taken.

8. I understand that I cannot hold Heart Gallery Alabama, or any representative or contractor of Alabama Department of Human Resources liable for any accident or injury to me or to my property that might occur while photographing the children.
9. I understand that my agreement to photograph above-mentioned children is also an agreement to take photographs that, to the best of my ability, highlight the children themselves, fully understanding that the purpose of these photographs is to enable "heart connections" to be made with prospective adoptive families. I agree that if a choice must be made between highlighting my artistic skills, and highlighting a child's personality, I will choose to highlight the child's personality.
10. I understand that given the nature of this endeavor, I am given no guarantee that my photograph(s) will be displayed. I understand that there are reasons beyond my control for which a photograph might not be displayed, to include adoption before release of the photographs, or a change in the child's status.

I understand that this agreement shall be forever binding, to include especially, items 1,2,4,5,6,and 7.
